

VICKIE A. MEADE PT, DSC, MPH, PCS

503/5-7 Clarence St. Port Macquarie, NSW, Australia vickie@vickiemeade.com 0402493324

Education

- 2007 Rocky Mountain University of Health Professions Provo, Utah
- Doctor of Science
- 2005 American Physical Therapy Board of Specialists Certification Alexandria, Vermont
- Board Certified Clinical Specialist in Pediatrics
- 1981 University of Minnesota Minneapolis, Minnesota
- Masters of Public Health, Maternal and Child Health
- 1974 University of Iowa Iowa City, Iowa
- Bachelor of Science
 - Physical Therapy Certification

Related Professional Experience

- 2011-present **Senior Regional Physiotherapist, Department of Aging, Disability and Home Care, Port Macquarie, New South Wales, Australia**
- Mentoring and teaching within the department
 - Liaising with Regional Therapists throughout the state
 - Liaising with Northern Regional management and senior clinicians
- 2010- Owner, Vickie Meade Therapy Services
- Web based consulting business: see www.vickiemeade.com
 - Presenting evidence based courses (see Addendum II)
 - Mentoring physiotherapists new to pediatrics
- 2008-10 Diagnostician: Department of Education, 1 Tofol Place, Kosrae, Federated States of Micronesia, 96944
- Train an Education Specialist as the Diagnostician in training in addition to completing all the following areas:
 - Oversaw screenings. Selected tests, analyzed results, referred for evaluation, completed program results
 - Administrated Diagnostic (Evaluation and Data collection) tests for Early childhood, all High School and Elementary screenings and Homebound special education students
 - Prepared and presented reports to parents during Individualized Education Program development meetings for all IEP and Tri-annual IEP Meetings.
 - Assisted team members, Related Services Assistants (SMD) staff and Public Health staff with identification of most appropriate and available service for students enrolled in the Homebound program. Assisted team members to monitor progress of students.
 - Prepared a six week summer institute curriculum and trained 15 teacher assistants in 2009 and 21 special education teachers and 4 assistants in 2010. All have been placed in ECE and elementary schools.
 - Participated and presented in local, national and international (PACRIM) meetings and conferences. Presented 14 local staff trainings.
 - Developed and implemented programs in hearing, vision and collaborated with health on nutrition community education program.

VICKIE A. MEADE PT, DSC, MPH, PCS

503/5-7 Clarence St. Port Macquarie, NSW, Australia vickie@vickiemeade.com 0402493324

- 2006-08 Volunteer: Departments of Health and Education, Kosrae, Federated States of Micronesia
- Volunteer activities included: Screening project for all children in Kosrae from 0 to 5
Training of RSAs on family centered service plans and implementation; diagnosis of movement disorders
- 1990-06 Vickie Meade Therapy Services, **Owner**
- Consultation in program design, training and implementation
 - Vinland Employment Program, Loretto, Minnesota (1988-2002) as a consult to a wellness program, we performed Individualized Evaluations and prepared and instructed integrated programs for chronic pain clients
 - Comprehensive Rehab Inc. Edina, Minnesota.(1991-1999) As the program consultant I was responsible for chairing the Computer Documentation Project and selected , trained and coordinated 25 multidisciplinary pediatric staff for rehabilitative service provision to 14 child care centers
 - Screening in the Elderly, NovaCare, Sacramento, California. (1993-1996) **Consultant**
 - Screening in Infancy; program research, design and training
 - Training in Australia, Canada, Federated States of Micronesia, Iowa, Minnesota, Nebraska, New Mexico, Oregon, Washington
 - College of St. Catherine, St. Paul, Minnesota. **Adjunct Professor**
 - Seattle Pacific U., Seattle, Washington. **Adjunct Professor**
 - U. of St. Thomas, Minnesota **Adjunct Professor**
- 1987-1989 Principal Partner
- M/W & Associates, St. Louis Park, Minnesota.
 - Program planning, development, research; infancy to aging
 - Today's Rehabilitation, Inc., St. Louis Park, Minnesota. **Director of Physical Therapy**
 - Program development and research in Long Term Care
 - Meade/Maher Movement Consultants, Sydney, Australia.
 - Course development and training for professionals in Early Intervention Programming.
- 1983-1987 Research Physiotherapist
- Royal Hospital for Women, Sydney, Australia.
 - Early Infancy Research Project: Development, evaluation of intervention for high risk infants
 - Prince of Wales Children's Hospital, Sydney, Australia. (1982-1983) Screening of Infants
- 1974-1989 Staff Physical Therapist
- Como Special Programs, St. Paul, Minnesota, **Pediatrics**
 - Prince of Wales Children's Hospital, Sydney, Australia. **Pediatrics**
 - M. Dowling School for Handicapped, Minneapolis, Minnesota. **Pediatrics**
 - Salisbury Health District, Salisbury and Kings College Hospital, London, England. **Physiotherapist**
 - U. of MN. Hospitals, Minneapolis, Minnesota. 1974-6
- 1974- present State of Minnesota: Registered Physical Therapist # 1285
2010- State New South Wales: Registered Physiotherapist # PHY0001634147

Selected Accomplishments

Developed

- *Meade Movement Checklist*: A screening test for four to six months olds used worldwide

Books Published (Addendum I for other publications)

- *Handwriting: Anatomy of a Collaborative Assessment/Intervention Model* with Rhoda Erhardt. Stillwater, MN: PDP

VICKIE A. MEADE PT, DSC, MPH, PCS

503/5-7 Clarence St. Port Macquarie, NSW, Australia vickie@vickiemeade.com 0402493324

Press, 2005.

- *Partners In Movement: A Family Centered Approach to Pediatric Kinesiology*. Therapy Skill Builders: San Antonio, Texas, 1999.

Presentations:

- **Over one hundred Courses** presented worldwide (Addendum II for details)
- **Keynote address:** State Education Conference, Eugene, Oregon April 12, 1999.
- **Three World Congress course presentations:**
 - Sensitivity and Specificity of the Meade Movement Checklist, Vancouver, CAN, 2007
 - Bringing Pediatrics to Rural Populations: World Congress for Physical Therapists, Washington, DC June 1995
 - Development of the Premature Infant: World Congress for Physiotherapists, Sydney, Australia June 1987

Adjunct Faculty of the Year: College of St. Catherine, Minneapolis, Minnesota. 1998

- **Research Advisor:** Eight student research projects assisting 24 MPT students over an eight year period

Research involvement on two national grants

2009	Using the Meade Movement Checklist to identify infants as part of community Screening
2007	Sensitivity and Specificity of a two step screening process for 4 to 6 month old infants: Doctoral Thesis. Rocky Mountain University of Health Professions, Provo, Utah
1998-2001	Student Advisor: Efficacy of the Meade Movement Checklist: 998 infants
1996-2003	Case Studies: Infant Movement Development; International perspective
1997-1998	Student Advisor: Outcomes for Vinland Chronic Pain Program
1995-1996	Student Advisor: Case Study of Twin Development using Motion Analysis
1994-1995	Student Advisor: Reliability of test of Function in Upright (FIU); Videography of Hip Development
1992-1993	Student Advisor: Validity of the Meade Risk of Falls Assessment of the Elderly; Use of the Meade Movement Checklist; Development of a Ski Screen
1988-1990	Development of the Balanced Aging Program: Screening Tool, Evaluation
1989	Study of Effects of Physical Therapy Intervention in the Prevention of Pressure Sores in a Long Term Care Facility
1989	Development of Screen for Physical Therapy Services, with Manual and reliability study outcomes for 127 clients
1988	Development of three assessment instruments to monitor Injured Worker Program for physical outcomes
1983-1987	Completion of Intervention Study for High Risk Infants, Royal Hospital for Women, Paddington, Australia
1981-1983	Reliability and Validity of Meade Movement Checklist, Sydney, Australia

ADDENDUM

I. Publications

- 2012** Meade V, Health-Osborne J. **Helping Babies Help Themselves; From in your arms to standing alone. (book)**
Available at www.shop.acer.edu.com
- 2009 Meade VA, Sweeney JK, Chandler LS, Woodward BJ. Identifying 4-Month- Old Infants at-Risk in Community Screening. *Pediatric Physical Therapy*.2009, 21; 2: 150-157
